This is neither an offer nor a solicitation to purchase any products, which may be done only with a current prospectus. Investors should consider their investment objectives and risks, along with the product's charges and expenses before investing. Please read the prospectus carefully before investing. Real Estate Investment Trusts are a longer-term illiquid investment and may not be suitable for all investors. Vacancies can negatively impact income and capital gains potential. Investments in real estate may be affected by adverse economic conditions and regulatory changes. Distributions are not guaranteed. Due to the risks involved in the ownership of real estate, there is no guarantee of any return on your investment, and you may lose all or a portion of your investment. This is neither an offer nor a solicitation to purchase any products, which may be done only with a current prospectus. Investors should consider their investment objectives and risks, along with the product's charges and expenses before investing. Please read the prospectus carefully before investing.
